

McHenry County Stormwater Management Commission Wetland Restoration Fund

Subject: Davis Property Pond – 2490 Spring Creek Road (PIN 19-25-400-001, SW15-0145)

I, J.R. DAVIS am hereby requesting the purchase of wetland mitigation credits from the McHenry County Stormwater Management Commission Wetland Restoration Fund. Ordinance NO. 0-201010-10-053 Dated October 19, 2010.

The wetland credits will be used to compensate for a proposed development occurring at 2490 Spring Creek Road, Barrington, IL, (19-25-400-001). The project consists of creating a recreational pond. The construction of the pond requires an **impact of 0.9 acres** of an isolated waters of McHenry County. This type of wetland has a mitigation ratio of 1.5:1 resulting in a **mitigation requirement of 1.35 acres**.

The subject wetland is located within the lower Fox Watershed which has a mitigation credit cost of \$95,000/acre per Ordinance NO. 0-201010-10-053 Wetland Restoration Fund In-lieu Fees. Based on the mitigation requirements for this type of a wetland in this watershed a **total cost of \$128,250** to purchase the required mitigation credits will be paid.

L cheer
